

GUIDELINES FOR PREPARING ONE-PAGE ABSTRACTS  
(Font = Bookman 12 point; 1 inch margins on all sides)

**TITLE IN CAPS, BOLDFACED, AND CENTERED**

**Author's names in lower case, boldfaced, and centered**

Institution and address including zip code centered under author's names

Text should be one to four paragraphs. Separate paragraphs with a blank line and do not indent. Traditionally most abstracts are short research notes consisting of an introductory paragraph, materials and methods paragraph, and results paragraphs. Include genus species and authority within parenthesis after first mention within the abstract. Use of tables and citations are discouraged. Proceedings editors will edit abstracts exceeding one page. Examples of abstracts from previous workshops can be found at <http://www.srs.fs.usda.gov/cbhr/workshops/SPGPOP10/> under the previous meetings section.
